CERTIFICATE

OF TEAM COMPLETION

PRESENTED TO

Matteo BOURDIN

Congratulations on successfully completing our comprehensive online workshop. This course provided valuable insights into advanced workflows for designing modular structures using BIM and Rhino.Inside. The course explored techniques for generating modular components, integrating them into a unified BIM environment, and utilizing aggregation algorithms and visualization methods. Your dedication to mastering these advanced design processes is truly commendable.

WORKSHOP

BIM & Rhino.Inside for Advanced Modular Design

INSTRUCTOR

Albert Sumin

DATE ACQUIRED	24 May 2025
STUDENT CODE	1497e2da9
CERTIFICATE CODE	OiOfSaQS

PAACADEMY

WORKSHOP DATE	26 April 2025
TOTAL HOURS	16 Hours
