

CERTIFICATE

OF TEAM COMPLETION

PRESENTED TO

Pranav Lokhande

Congratulations on successfully completing our comprehensive online workshop. This course offered insights into the core principles of Grasshopper3D and parametric modeling, enabling you to build complex geometric models and establish a strong foundation in computational design. Your dedication to mastering these essential algorithmic techniques is commendable.

WORKSHOP

Grasshopper For Beginners 1.0

INSTRUCTOR

Mehmet Berk Bostanci

DATE ACQUIRED 27 June 2025
STUDENT CODE b12bda8a0
CERTIFICATE CODE tkobH3cJq

WORKSHOP DATE 11 March 2023
TOTAL HOURS 8 Hours
